Introduction

Turning point to create Maneli Home Brand was my love for creation of what was in my dreams and bring it to reality.

During these 7 years, my only target in Maneli Home Brand was to create beauty along with comfort and I have tried my best to reflect it in my productions utilizing Iranian artists and hope to be able to create what I have in my heart and dreams in near future.

Our motto in Maneli Home has always been:

"We do not create furniture; We create artwork"
